Dr Filo graduated from University of Toronto Faculty of Dentistry in 1984. Since then, he has been an ardent and passionate proponent of dental hypnosis. During the last four decades, he has proselytized to fellow dentists at many of the major North American dental conferences.

He is a Diplomate of the American Board of Hypnosis in Dentistry, a Life Fellow of the American Society of Clinical Hypnosis and an Honourary member of the Canadian Society of Clinical Hypnosis – Ontario Division and the Hungarian Association of Hypnosis. He is also a Fellow of the Academy of General Dentistry and the Pierre Fouchard Academy.

He has belonged to the major hypnosis societies, participating organizationally and as faculty, both nationally and internationally. He has authored articles, chapters and a DVD on Rapid Hypnosis and the book Rapid Hypnosis the Clinician's Guide.

He has formed the Arch-Of-Hypnodontists, a select group of international dental hypnotists, that meet monthly to preserve the legacy of dental hypnosis by recording their discussions.

His private practice emphasizes the non-pharmacological treatment of dental anxiety and phobia.
